

### **Instructions for Homework submission under d2l:**

When submitting homeworks to d2l, the homeworks should be uploaded to the “Dropbox” with the homework number on it. For example, for Homework 1, please upload your completed homework to the Dropbox labeled “Homework1”.

If you cannot submit your homework this way, then as a last resort you may email it to myself or one of the TAs, or bring a hardcopy version to class.

### **Homework Schedule for ATMO 170a1 Section 3:**
